Say YES to Hope's mission is to improve the lives of ANYONE affected by advanced cancer through information, resources and support. Not only does YES provide these needed resources, but also helps cancer survivors keep HOPE present in their lives as they go through the difficult obstacles advanced cancer throws in their path by finding alternative treatments, study trials and navigating the journey so many are afraid to talk about.... But that's not all Say YES to Hope does. Through donations and contributions Say YES to Hope also encourages survivors to just LIVE! We have taken survivors to the Academy Awards, NASCAR races and they even walked the red-carpet during Fashion Week in New York for a world-renowned designer, as well as hosting cancer retreats. Come be a part of this journey.
